EXPERIENCES

Junior Software Developer (Intern)

Stamasoft Technologies

From 2021 to 2022, I played a significant role in creating responsive websites, mobile apps, and incorporating APIs to elevate digital functionality. I was actively involved in both research and development efforts, contributing to product creation and enhancing user experiences by crafting Android widgets.

TRAINING

Stamasoft Mobile app development (2020-2021)

- Android development with java
- MySQL and Firebase Database
- API development

Mentorship Program (2023)

Working on [Flutter projects](#) under the supervision of
