Problem Solving

- Solved 500+ Problems on different online judges
- Participated on onsite and online contests

EXPERIENCES

Junior Software Developer (Intern)

Stamasoft Technologies

2021- 2022

Software development was always in my mind. Back then, When I was in my 4th semester, I had to choose which platform I should pursue my development works - Mobile development or Web Development. I started my Android development course with Stamasoft Technologies. It was a wonderful experience working here. I learned many things about product development, R&D, Android widgets, and SDLC.

TRAINING

Stamasoft Mobile app development (2020-2021)
- Learned Android development with java
- Learned Mysql and Firebase Database
- Learned about API development

Mentoriship Program (2023)
Working on Flutter projects under the supervision of **Md. Arif Haider (**Senior Software Engineer, Binate Solutions Ltd. **)**

PROJECTS

❑ MomentousClick This is a website for event management system
